

Notice of Parking Lane and Road Closures – May 26–27

Dear Resident,

This notice is to inform you of upcoming temporary closures on Bowden Street related to the planned demolition works at the Danforth Church site. These closures are required to facilitate the safe mobilization and assembly of heavy equipment.

Parking Lane Closure:

- Start: 9:00 AM on Monday, May 26
- End: 9:00 AM on Tuesday, May 27
- Location: Select parking lanes along Bowden St and Danforth Ave. Please see map indicating the spaces that will be closed
- Details: Parking will not be permitted during this period. Please ensure your vehicle is moved in advance to avoid towing or fines.

Full Road Closure:

- Date: Tuesday, May 27
- Time: 2:00 AM - 5:00 AM
- Location: Bowden St from Danforth Ave to Dearbourne Ave
- Details: No through traffic will be allowed during this period. We advise planning your travel to avoid these hours.

Reason for Closure:

The parking lane and road closures are necessary to accommodate the delivery, unloading, and assembly of a large excavator that will be used for the demolition of the Danforth Church. Due to the size of the trucks and equipment involved, these temporary closures are essential to ensure the safety of both workers and residents.

We appreciate your understanding and cooperation as we work to carry out this project safely and efficiently. If you have any questions or concerns, please contact us at 226-678-4715 or info@schouten.ca.

Regards,
Schouten Excavating Inc.
